

# LT Updates 2024

## *Liver Transplantation Updates 2024*

**August 29 (Thu) – 30 (Fri), 2024**  
Seoul Dragon City, Seoul, Korea

## Invitation to the LT Updates 2024

On behalf of the Korean Liver Transplantation Society (KLTS) and the Organizing Committee, it is our great honor and pleasure to invite you to the Liver Transplantation Updates 2024 (LT Updates 2024), which will be held from August 29 (Thu) to 30 (Fri), 2024, at Seoul Dragon City, Seoul, Korea.

This year will be a milestone in the history of the Korean Liver Transplantation Society and the field of liver transplantation. Since its foundation in 1998, KLTS has held an annual congress and two seminars each year, within Korea. As of this year, our annual congress will be an international academic gathering where we share the leading know-how and cutting-edge techniques of liver transplantation from Korea and around the world.

LT Updates 2024 will have symposia on the latest findings by liver transplantation experts from various related fields and the “Update Session”, which will be the highlight of the congress. There will also be abundant opportunities for young investigators to present their exceptional works.

We would like to proudly invite you to save the date and join us on the first yet significant step of KLTS’s new annual congress: LT Updates.

We look forward to meeting you at LT Updates 2024!

Sincerely,

*Kwang Woong Lee*

**Kwang-Woong Lee**

Congress President, LT Updates 2024  
President, The Korean Liver Transplantation Society
