Invitation to LT Updates 2025

Dear Esteemed Members, Colleagues, and Friends,

On behalf of the Korean Liver Transplantation Society (KLTS) and the Organizing Committee, I am honored to invite you to the 2nd International Congress of KLTS, **Liver Transplantation Updates 2025 (LT Updates 2025)**, which will take place from September 5 (Fri) to 6 (Sat), 2025, at the Grand Hyatt Incheon, Incheon, Korea.

Building on the tremendous success of the inaugural LT Updates congress last year, we have carefully curated an even more enriching and dynamic scientific program. This year's congress will feature concurrent sessions, providing an exceptional platform for you to engage with and learn from world-renowned experts in the field of liver transplantation.

As suggested by its title, **LT Updates 2025** is dedicated to presenting the most current knowledge, cutting-edge techniques, and the latest academic breakthroughs. This congress will showcase the expertise of distinguished pioneers, offering invaluable insights into the field's most advanced methodologies. Moreover, **LT Updates 2025** will offer Travel Grants to outstanding abstract presenters from Asia who are young, aspiring investigators in the field, providing opportunities for meaningful discussions and networking. These efforts aim to foster collaborations that will propel forward academic partnerships, collaborative research, and a deeper understanding of the diseases we seek to overcome.

We are confident that **LT Updates 2025** will be an enriching and transformative experience for all participants, contributing to the advancement of scientific standards and excellence within our discipline.

We eagerly anticipate welcoming you to Incheon, Korea, for LT Updates 2025.

Thank you.

Kwang Woong Lee

Kwang-Woong Lee

Congress President, LT Updates 2025
President, The Korean Liver Transplantation Society

Important Dates

Abstract Submission Due Date

June 4 (Wed) 2025

Abstract Acceptance Notice

July 9 (Wed) 2025

Pre-Registration Due Date

August 6 (Wed) 2025
